

# This Computes!

## **Department of Health Services Children's Medical Services Network (CMS Net) - Information Bulletin # 52**

The following corrections to the Client Eligibility Insurance screens were implemented to the system on Sunday, 3/28/04:

1. **HEALTH FAMILIES COVERAGE:** Correction was made to the records that displayed HF coverage on both the Healthy Families Coverage screen and the Insurance Coverage screen when the insurance type was entered. The HF coverage was removed from the Insurance Coverage screen.
2. **BRANCH MENUS:** Correction was made to return the user to the corresponding Branch Menus for the Insurance Coverage screen, the Medi-Cal Coverage screen and the Healthy Families Coverage screen after generating a narrative.
3. **PROGRAM ERROR ON FACE SHEET:** Correction was made so that a Program Error does not occur on the Patient Registration Face Sheet when attempting to delete the Managed Care Name field on the Medi-Cal Coverage screen.
4. **MEDI-CAL # ON THE MEDI-CAL COVERAGE SCREEN:** Correction was made to the Medi-Cal Coverage screen so that the Medi-Cal # and Mother's Medi-Cal # fields are saved when entered on the Medi-Cal Coverage screen.
